A/A Serena Sorrentino,  
CGIL-FP

UGT Public Services strongly condemn the assault on the head office of our CGIL colleagues. We want to show our solidarity with the sister union and with the Italian working class, this type of behavior takes us back to violent times that after years of struggle for the democratic values, class unions in Europe we can not allow.

All our support and solidarity

Fdo.: Julio Lacuerda Castelló  
Secretario General  
UGT Servicios Públicos
