Dear Serena and Marco,

On behalf of myself, the President, the Executive Council, all our members and staff I wish to express our complete outrage and full solidarity following the awful and cowardly attack on your Roma premises last week.

An attack such as this, against a fellow trade union, is an attack against trade unions everywhere and we fully support your public demonstration against anti-fascist movements on the 16th October and wish you a successful and peaceful demonstration.

Thank you for your attention to this note.

Is mise
