

Contratto Collettivo Nazionale di Lavoro **Funzioni Locali** Periodo 2019-2021

**FP
CGIL**

Nuove Tabelle Lavoro Straordinario

1) Lo straordinario ha come base di calcolo la retribuzione base mensile come **definita dall'art.74 com 2 lettera b) del CCNL 2019/2022** integrata dal rateo di tredicesima.

2) **Per il solo personale in servizio all'entrata in vigore del CCNL 22.01.2004**, appartenente ai profili con ingresso in B3 e D3, la base di calcolo di cui al punto 1) viene integrata dai più elevati importi di indennità integrativa speciale allora in godimento rispetto all'importo conglobato nello stipendio. Se si tratta di importi sono conservati come assegno personale non riassorbibile ed utile ai fini del trattamento di pensione e di fine servizio.

3) Agli importi di cui al punto 2) vanno aggiunti, **se in godimento**, eventuali assegni riassorbibili per effetto delle progressioni tra le aree.

4) **Le Tabelle 1 e 2 riportano il valore orario dello straordinario con le maggiorazioni per il lavoro feriale, festivo o notturno e per la notte festiva**, distinti per il personale con orario su 36 ore settimanali e personale su 35 ore settimanali, calcolata sulla base degli importi del tabellare in vigore dal 1 gennaio 2023, comprensivi del conglobamento dell'Elemento Perequativo.

5) **Le Tabelle 3 e 4 riportano il valore dello straordinario ricalcolato al momento dell'entrata in vigore del nuovo sistema di classificazione**. La sola differenza con le tabelle 1 e 2 riguarda l'area degli Operatori (ex Categoria A): lo stipendio tabellare annuo per dodici mensilità del personale dell'area Operatori a decorrere dal 1 aprile 2023 viene rivalutato passando da 18.044,37 annui per dodici mensilità a 18283,31. La differenza di 238,94 euro annui si aggiunge ai differenziali economici (ex progressioni economiche orizzontali) già in godimento per tutto il personale della ex Categoria A.

6) **Le Tabelle da 5 a 10 riportano il valore orario dello straordinario con le maggiorazioni per il lavoro feriale, festivo o notturno e per la notte festiva**, distinti per il personale con orario su 36 ore settimanali e personale su 35 ore settimanali, calcolata sulla base degli importi del tabellare in vigore rispettivamente dal 1 gennaio 2019, 1 gennaio 2020, 1 gennaio 2021 (in vigore anche nel 2022). I differenziali delle ultime 3 colonne di ciascuna di queste sei tabelle, se moltiplicati per le ore di straordinario di ciascuna tipologia effettuate in ciascun anno e poi sommati, danno l'ammontare dell'arretrato sullo straordinario.
