Dear John,

The Fp CGIL VVF reaffirms the need to stand alongside the women and men of the SIPTU to claim the struggles that belong to firefighters, struggles that are the same as those experienced by firefighters in Italy and which see the Fp CGIL VVF constantly in the forefront.

We therefore express our full solidarity with the SIPTU workers, with respect for the women and men who serve the population on a daily basis.

The National Coordinator FP CGIL VV.F.
